

## Creative Moor Pool Trail

**Unwrap Moor Pool's creative past! Follow the map on the back and see if you can find these creative things from Moor Pool's past across Moor Pool Estate, Circle them as you go and fill in the missing words.**

---

Moor Pool Hall has been used for performances and theatre since it opened, and since 1978 was home to the Moorpool Players! The first show they performed was called \_\_\_\_\_

The architects of the Moor Pool Estate were called \_\_\_\_\_ and \_\_\_\_\_ and although the houses all have similar colour and style each house is completely different ! Can you spot things that are the same and things that are different about each house?

A famous Birmingham silversmith called \_\_\_\_\_ lived at 92 Carless Avenue and worked in the Jewellery Quarter. He designed a torch for the London 1948 Olympic Games!

When Moor Pool was built advice on the design of the green spaces and trees was from Thomas Humphries who also designed the Birmingham \_\_\_\_\_

Moor Pool has a long history of festivals including a musical festival in 1914 and children's festival in September 1912 where they danced to music played by a \_\_\_\_\_ on the green that was then behind Moor Pool Hall.

In July 1924 Moor Pool's Horticultural Society were very creative and as well as vegetable and flower competition they also had a \_\_\_\_\_ competition!

Moor Pool Hall has seen lots of dancing over the years on its original semi-sprung maple floor! There was a dance every Saturday and Wednesday in the 1940's and the Main Hall was also known as the \_\_\_\_\_

In 2014 Moor Pool residents and Moor Pool Heritage Trust found very creative ways to raise the funds to Save the community buildings in 2014 including \_\_\_\_\_ the \_\_\_\_\_

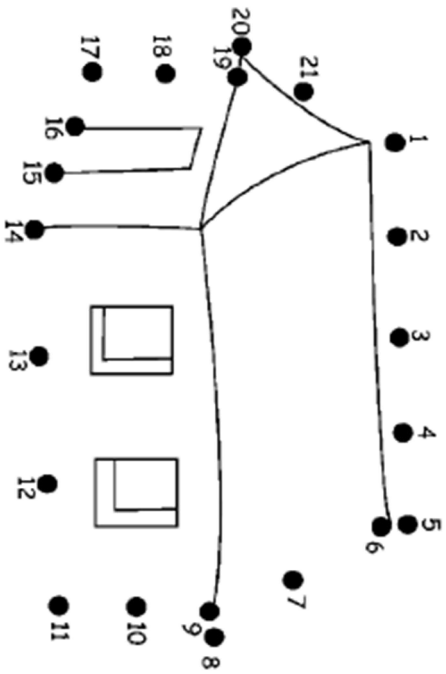

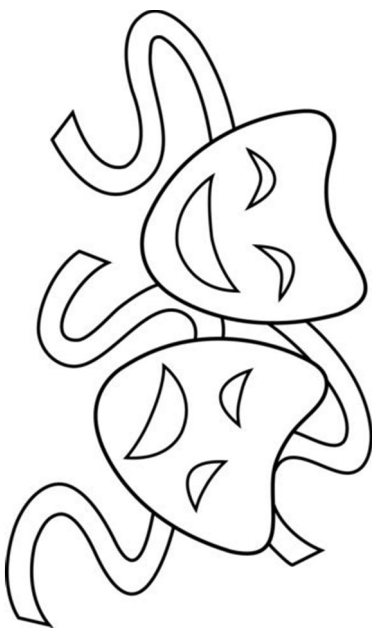

---

**Once you have finished your trail why not explore some of the places mentioned around Moor Pool and see what creative things you can find!**
